**Re: Notice of Ex Parte Meeting
PS Docket No. 14-174, GN Docket No. 13-5, RM-11358, WC Docket No. 05-25,
RM-10593**

Dear Ms. Dortch,

On July 29, 2015, Lawrence Freedman, Senior Vice President of WorldNet Telecommunications, Inc. (“WorldNet”) met with Daniel Kahn, Claude Aiken, and two other unrecorded representatives from the Wireline Competition Bureau.

In this meeting, Mr. Freedman presented questions and concerns regarding the recent fact sheet released by Commissioner Wheeler regarding his proposed order addressing IP transition issues. Mr. Freedman focused primarily on the issues of the preservation of state commission authority over ILEC proposals to retire copper facilities and competitor options for continued access to ILEC last-mile facilities in the event of the retirement of copper facilities.

Respectfully submitted,

Richard Davis
Counsel for WorldNet Telecommunications, Inc.
