I think my neighbor is stealing cable at 906 south Shipley Muncie Indiana 47302. .
Never seen a Comcast truck there to install cable yet my neighbor has a Comcast box
and like 68 some channels. . Tried to call Comcast but kept being put on hold. . I know
stealing cable is illegal I just wanna do my part as a good Samaritan. . I don't know
if u can look into this Or at least notify Comcast
