Governor Reuben Clayton Cleaves
Passamaquoddy Tribe
Pleasant Point Reservation
P.O. Box 343
Perry, ME 04667-0343

Dear Governor Cleaves,

Oxford West Telephone Company currently has tribal land belonging to the Passamaquoddy Tribe within our serving territory. The property is approximately 18.31 acres near Songo Pond in Albany Township. Oxford West Telephone Company currently provides telephone service to this location. We are able to provide high speed DSL service (5/1) to this location should the need arise.

The Federal Communications Commission (FCC) is requiring telephone companies such as Oxford West Telephone Company to meet with Tribal government leaders annually to discuss the following:

- Needs Assessment and Deployment Planning
- Feasibility and Sustainability Planning
- Marketing of Services in a Culturally Sensitive Manner
- Rights of Way Processes, and Use Permitting, Facilities Siting, Environmental and Cultural Preservation Review Processes
- Compliance with Tribal Business Licensing Requirement

While conducting research, we were advised that both the Pleasant Point Reservation and the Indian Township Reservation have joint ownership of the above tribal land.

We would like to meet with both yourself and Governor Socabasin this month if possible. We are amenable to meeting with both of you together or separately whichever is most convenient for each of you. We will be sending a similar request to Governor Socabasin.

Please call me at your earliest convenience at 333-3455 to let me know of your availability to meet with senior management of Oxford West Telephone Company. After our initial meeting, we will be required to meet annually to continue discussions on the above issues. We very much look forward to meeting with you.

Sincerely,

Dawna K. Hannan
Vice President – Regulatory Affairs

Product	Description	Code	Monthly Cost	One Time Charges
Lifeline Telephone Service	<p>The Lifeline Service Program provides for a reduction equal to amounts as ordered by the Maine Public Utilities Commission. Monthly Lifeline subsidies will not exceed the cost of monthly access line rate(s) and the FCC end user subscriber line Charge.</p> <p>the reduction applies to the monthly rate for one residential basic exchange service line. The reduction in the monthly rate and other Lifeline benefits are provided to qualified residential customers under the FCC Lifeline Assistance program.</p>			
General Information	<p>~ This service is restricted to low income residential subscribers. To qualify for the Lifeline Service Program any member of a subscriber's household must be a recipient of benefits from one of the following programs: Medicaid; Supplemental Nutrition Assistance Program (SNAP), formerly known as Food Stamps, Supplemental Security Income (SSI); Federal Public Housing Assistance; Low-Income Home Energy Assistance Program (LIHEAP); National School Lunch Program's free lunch program; and Temporary Assistance for Needy Families (TANF). An applicant is also eligible if they have a household income at or below 135% of the Federal Poverty Guidelines.</p> <p>~ The company is prohibited against disconnection of Lifeline customers' local service for non-payment of optional and toll charges.</p> <p>~ The Company has the right to place mandatory toll restriction on Lifeline accounts who fail to make payment of toll charges within a reasonable period of time.</p> <p>~ Toll Restrictions service will be offered free of charge to Lifeline customers.</p> <p>~ The Company is prohibited from requiring a Lifeline customer to pay service deposits in order to initiate service even if the subscriber voluntarily elects to receive toll blocking.</p> <p>~ the Company must apply partial payments received from Lifeline customers first to local charges and then to toll charges.</p> <p>~ A credit of -\$9.00 applies to installing one residential access line for those customers who are eligible for the Lifeline Service Program. This credit also applies for restoration or reconnection of service, for reasons other than temporary suspension of service, at the same location no more than once per customer per year.</p>		\$9.25 Federal Credit \$3.50 State Credit	\$9.00 Installation Credit
Responsibility of the Subscriber	<p>Customers must be certified as eligible by the appropriate State of Maine agency or present satisfactory proof of eligibility to the Company for both the reduced monthly rate and the installation credit. Recertification of eligibility will occur at least once per year. The monthly credit will be removed from customer accounts who are no longer eligible.</p>			
Local Private Line Service	<p>Private Line Telephone Service is the provision of facilities, including channels and station equipment not switched through a central office, to enable a customer to communicate between specified locations. All facilities required for this service are furnished by the Telephone Company on a full-period service basis only.</p> <p>The service equipment and channels provided under this section are not furnished for the commercial transmission of communications between exchanges nor for the use on competition with any form of service rendered by the Telephone Company or its connecting companies.</p> <p>The rates specified herein are applicable where facilities are available and when standard transmission voice grade circuits can be obtained without the use of special equipment. If, for operating reasons, special equipment is required to render satisfactory service, such special equipment shall be charged for in addition to the applicable charges for standard equipment.</p>			
Local Channels (Dry Cable Pair)	Local Channels		\$10.80	
Local Transport Digital Line Service	Channels provided herein are for data transmission only		\$12.00	
Intra Exchange Dark Fiber	Priced on an Individual Case Basis (ICB)		ICB	
Off/On Premise Extension	<p>Off Premise and On Premise Extensions are not in accordance with the general plan of furnishing telephone service are provided only under special conditions when warranted by the circumstances involved and when suitable facilities are and continue to be available.</p> <p>Off premise and On Premise Extensions are furnished when the station telephone is outside the building in which the associated telephone is located. An extension is considered to be off-premise if it leaves the customer's property boundary (i.e. across the road), but within the same exchange.</p> <p>A special equipment charges as approved by the Public Utilities Commission under special contract will be applied for such equipment as may be required at any time for transmission and signaling where a customer requires an off premise station line in connection with access line telephone service.</p> <p>The type of circuit construction and its routing are at all times determined by the Telephone Company and ownership of such circuits shall remain vested in the Company.</p>			
Off Premise Extension	Lines serving Business or Residence where the extension termination is on premises other than the access line termination point, but within the same exchange area.		\$5.80 /per loop if same continuous loop \$18.10 / per loop if non-continuous loop	
On Premise Extension	Lines serving Business or Residence where the extension termination is on the same continuous property as the access line termination point but in a separate building		\$3.80 /per loop	

SERVICE CHARGES

3.1 General

- A. Service Charges apply to services or equipment ordered or connected into service at the Customer's request including initial connections, moves, and restoration of service. Certain items of equipment in this Tariff are listed with an Installation Charge. This Installation Charge is applied in addition to the appropriate Service Charges listed below.
- B. Service charges apply in addition to, but not in lieu of charges which may be incurred in installations of a temporary or speculative nature.
- C. Service charges are comprised of the following work functions, one or more of which is applicable based upon the service or equipment requested by a Customer.
 - 1. Initial Connection Charge - Applicable for work performed by the Telephone Company in connection with the Initial establishment of or restoration of provider of last resort retail service.
 - 2. Secondary Service Order Charge - Applicable for work performed by the Telephone Company in association with connections, moves or changes to an established provider of last resort retail service
 - 3. Telephone Number Change Charge - Applicable for work performed by the Telephone Company in connection with changing telephone numbers at the customer's request
 - 4. Network Interface/Drop Relocation Charge - Applicable for work performed by the Telephone Company for the relocation of the Network Interface device or aerial/buried drop.
 - 5. Additional Line Connection Charge - is applicable for work performed by the Telephone Company in connection with the installation of additional line(s) at the time of initial establishment of service. Applies when a customer is adding more than one access line at a time (Initial Connection Charge of \$38.00 applies for the first line).

3.2 Rates

		<u>Nonrecurring Charge</u>	
		<u>Business</u>	<u>Residence</u>
A.	Initial Connection Charge	\$38.00	\$38.00
B.	Secondary Service Order Charge	\$ 5.00	\$ 5.00
C.	Telephone Number Change Charge	\$15.00	\$15.00
D.	Network Interface/Drop Relocation Charge	\$20.00	\$20.00.
E.	Additional Line Connection Charge	\$20.00	\$20.00

3.3 Application of Service Charges

- A. The Initial Connection Charge is applicable for requests for:
 - 1. Initial connection of provider of last resort retail service
 - 2. Transfer of provider of last resort retail service involving a request for a final bill or, if a final bill is not requested, a refusal of the future Customer to accept full responsibility for the former Customer's account.
- B. The Secondary Service Order Charge is applicable for subsequent Customer requests for connections, moves or changes to an established provider of last resort retail service.
- C. The Initial Connection Charge and the secondary service order charge cannot be applied on the same order. When an order requires work for which both the Initial Connection Charge and secondary service order charge would otherwise be applied, only the Initial Connection Charge is applicable.
- D. Discontinuance of Service Charge An Initial Connection Charge will apply for restoration of service following disconnection for nonpayment.

- E. In the case of equipment for which the initial Contract (termination agreement) period is more than one month at the same location, the Subscriber may arrange for the change of location on the same or to different Premises in the same Exchange area by one of the following methods:
1. By terminating the Contract for service at the old location, and signing a new application. In this case the Subscriber is required to pay the sum of any Termination Charges which may be applicable plus the Installation Charges which would apply in the case of a new installation.
 2. By paying the Cost of making the change in location including the Cost of removing all the equipment from the old locations and the Cost of installing the equipment at the new locations. In this case the Contract period is not affected.

3.4 Exceptions

- A. Service Charges do not apply for the following:
1. Visits to a Customer's Premises solely for the purpose of repair, maintenance or disconnection of Telephone Company provided service and equipment.
 2. Changes from Premium to Economy service or changes from any service other than Provider of Last Resort Retail Service to Provider of Last Resort Retail Service.
 3. Service reestablished after the destruction of the residential Customer's Premises by fire, flood, or other similar causes beyond the Customer's control, where the same amount of service is reestablished within a reasonable period of time at the same or different location. If, under the preceding conditions, service is installed at another location and then subsequently reestablished at the original location, Service Charges will apply for the subsequent installation.

Residential Economy Service

4.1 Eligibility

- A. Residential service rates shall apply if the service is primarily for domestic purposes and the telephone number associated with the service is not included in any form of advertising for any business purpose.
- B. Business rates shall apply for any service that does not qualify for residential service rates as set forth in Section 4.1.A. Customers to whom business rates apply are not eligible to take Residential Economy Service.

4.2 Definitions

- A. Basic Service Calling Area – (BSCA) is the local (non-interexchange) calling area of the “home exchange” of a customer of Oxford West Telephone Company. The BSCA includes all exchanges that were in the BSCA prior to the amendments effective in December 2002 plus all exchanges that are contiguous to the home exchange that were not included prior to the December 2002 amendments. Within a BSCA, there may be Economy and Premium calling options with flat-rate and per-minute pricing as specified in the definitions of those options. For all options, the BSCA includes all of the exchanges that are included in the calling option with the largest flat-rate calling area.
- B. Home Exchange – is the Exchange of the Company where the Customer receives dial tone.
- C. Economy Calling Area is the Customer’s basic-service calling area that has a flat monthly rate for unlimited calling within the Customer’ Home Exchange and the list of Exchanges identified in connection with the particular Home Exchange in Section 4.4.A and a per-minute rate for calling to the list of Exchanges identified in connection with the Home exchange in Section 4.4.C of this Tariff.

Residential Economy Service (cont.)

- D. Provider of last resort service – is a flat- rate service with voice grade access to the public switched telephone network; local usage within the basic service calling areas of incumbent local exchange carriers as of January 1, 2012; dual-tone multi-frequency signaling or its functional equivalent; single-party service or its functional equivalent; access to emergency services; access to operator services; access to interexchange service; access to directory assistance; toll limitation for qualifying low-income customers; and the capacity to maintain uninterrupted voice service during a power failure, either through the incorporation into the network or network interface devices of suitable battery backup or through electric current. For purposes of this Schedule, all terms included within the definition of provider of last resort service have the same meanings as set forth in 35-A MRSA § 7201.
- E. Residential Economy Service – is provider of last resort service offered to residential customers on a retail basis with the Economy Service Area as the Customer's Basic Service Calling Area.

4.3 Regulations Concerning Residential Economy Service.

- A. Calls Outside the Economy Calling Area – Residential Economy Service customers may make local calls from their Home Exchange to the additional Exchanges included in Section 4.4.C at a per-minute rate. The per-minute rate for such calls is set forth in Section 4.4.D of this Tariff. Calls made from the Home Exchange to locations within the State of Maine, other than those listed in Section 4.4 are billed to the Customer at the applicable intrastate toll rates of the carrier used to provide Customer's intrastate toll service.
- B. Municipal Calling Service – Customer shall receive toll free calling to any other customer of a Provider of Last Resort within the municipality in which Customer resides where practicable so long as Customer is utilizing an intralata toll provider for whom Company provides billing to the Customer. In the event Customer is charged by an intralata toll provider for whom Company provides billing to the Customer for a call to a Provider of Last Resort customer within the municipality in which Customer resides, Company shall remove any charges associated with any such municipal calling from the customer's bill when notified by the customer.
- C. Changes in Calling Areas – The Customer's initial selection of either the Economy Calling Area Service offering or the Premium Calling Area Service offering is without charge. Subsequent changes by the Customer

Oxford West Telephone Company (SAC 100002)

Response to Line 3010 – Milestone Certification (47 CFR §54.313(f)(1)(i))

Oxford West Telephone Company hereby certifies that throughout 2014, it took reasonable steps to provide upon reasonable request broadband service at actual speeds of at least 4 Mbps downstream/1 Mbps upstream, and currently, it is taking reasonable steps to provide upon reasonable request actual speeds of at least 10 Mbps downstream/1 Mbps upstream broadband service at with latency suitable for real-time applications, including Voice over Internet Protocol, and usage capacity that is reasonably comparable to comparable offerings in urban areas as determined in an annual survey, and that requests for such service are met within a reasonable amount of time.

**Oxford West Telephone Company
SAC 100002**

**Response to Line 3012 - List of Community Anchor Institutions to Which the ETC Newly
Began Providing Service**

The FCC's *USF/ICC Transformation Order* requires a listing of community anchor institutions to which the ETC newly began providing broadband service. Oxford West Telephone Company did not newly begin providing community anchor institutions with access to broadband service in calendar year 2014.
