Re: *Amendment to the Commission's Rules Related to Retransmission Consent*, MB  
Docket No. 10-71

Dear Ms. Dortch:

On August 11, Lee Schroeder, Michael Olsen, Emmett O'Keefe, and the undersigned, of Cablevision Systems Corporation, met in separate meetings with Philip Verveer of the Office of Chairman Wheeler, Chanelle Hardy of the Office of Commissioner Clyburn, Valery Galasso of the Office of Commissioner Rosenworcel, Matthew Berry and Alison Nemeth of the Office of Commissioner Pai, and Robin Colwell of the Office of Commissioner O'Rielly. We discussed the letter that Cablevision filed on July 31 in the above-captioned proceeding,<sup>1</sup> and encouraged the Commission to issue a robust notice of proposed rulemaking on retransmission consent to implement Congress's mandate in the STELA Reauthorization Act of 2014 to improve and strengthen the good faith requirements.

Please contact the undersigned with any questions.

Sincerely,

*/s/ Alexander Maltas*
