TRIED TO SET UP NOMOROBO TO BLOCK ROBOCALLS, BUT INCOMPLETE INFORMATION IS GIVEN ONLINE. AM SERVED BY UVERSE VOICE, WHICH IS VOIP. SUCCEEDED IN REMOVING MY CALL BLOCKING FEATURE, AND IN INSTALLING CALL SCREENING. BUT CALL SCREENING BLOCKED ALL -- REPEATE, ALL -- INCOMING CALLS. SO I HAD UVERSE REMOVE CALL SCREENING. ALSO, NO NUMBER WAS CALLED TO BE SCREENED - I TRIED 7706666762 (770nomorob), BUT THAT DIDN'T WORK. SOS IS NOMOROBO LEGIT?
