In the Matter of: Nomination for Universal Service Administrative Company Board of Directors,  
CC Docket Nos. 97-21 and 96-45

Dear Chairman Wheeler:

On behalf of Community Consolidated School District 59, I am writing to express our strong support for the nomination of AASA Executive Director Daniel A. Domenech to the Universal Service Administrative Company (USAC) Board of Directors. Since he was appointed in 2012, Dr. Domenech's experience as an educational leader has proven to be an asset to the USAC Board.

As schools prepare students to be successful in the 21st century, we need advocates who recognize the importance of the E-Rate program and the impact it has on our students and schools. Serving on the governing board of AASA School Superintendents Association has given me insight into Dr. Domenech's leadership skills and his awareness of the crucial role the E-Rate program plays in helping schools and libraries afford telecommunications connectivity to provide students with the tools they need to succeed.

I believe that Dr. Domenech's nomination to the USAC board will provide both continuity and excellent leadership. His experience as an educational leader, coupled with his broad understanding of the importance of technology in our schools, will undoubtedly add to the important work of USAC as it moves forward.

I respectfully request your approval of Dr. Domenech's nomination to the USAC Board of directors.

Respectfully,
