Dear Ms. Dortch:

Pursuant to the Public Notice released on July 29, 2015, Ballard Rural Telephone Cooperative Corporation, Inc. submits the attached proposed corrections to its plant mix input values for use in refining A-CAM to more accurately reflect study area specific plant mixes. Additionally, in three years our buried plant will be 99% once we have completed our current fiber to the home projects and aerial plant will be 0%.

Respectfully submitted,
