Re: Notice of *Ex Parte* Communication in MB Docket No. 15-71

Dear Ms. Dortch:

Yesterday, I discussed the market modification proceeding by telephone with Alison Nemeth of Commissioner Pai's office. During that discussion, I reiterated DIRECTV's longstanding view that Congress did not intend to create a burdensome process for demonstrating technical and economic feasibility. We expressed our support for a simple, easy-to-administer certification process for such showings.

Pursuant to the Commission's rules, I am filing a single copy of this letter in the above-listed docket.

Sincerely,

/s/ _____
