COMMENTS

Liberman Broadcasting of Dallas Licensee, LLC ("LBDL"), licensee of Station KZMP-FM, Pilot Point, Texas, by its counsel, hereby submits its Comments to the *Notice of Proposed Rule Making* ("NPRM"), (DA 15-805) (released July 10, 2015) in the above referenced proceeding. LBDL's pending application to implement its Class C0 channel at a new transmitter site is being treated as a counterproposal in this proceeding. LBDL previously responded to the *Order To Show Cause* proposing to downgrade the Class C0 channel to Class C1. In that Response filed on August 24, 2015, LBDL submitted substantive comments concerning why its proposal should be adopted rather than the Grant, Oklahoma proposal submitted by Katherine Pyeatt. LBDL reiterates its interest in the Class C0 Channel 285 for Pilot Point and incorporates by reference its comments in the *Response to Order to Show Cause* herein.
