Re: *Applications of Charter Communications, Inc., Time Warner Cable Inc., and Advance/Newhouse Partnership for Consent to the Transfer of Control of Cable Television Relay Service Applications, MB Docket No. 15-149*

Dear Ms. Dortch:

On September 10, 2015, Alex Hoehn-Saric, Senior Vice President, Government Affairs at Charter Communications, Inc. ("Charter"), and I discussed with Rebekah Goodheart, Legal Advisor to Commissioner Clyburn, New Charter's consideration of a low-income broadband program that has been referenced in the above-captioned proceeding. During the meeting, we discussed ways New Charter could fulfill its commitment to provide affordable, fast broadband through its proposed low-income program after the closing of its transaction with Time Warner Cable Inc. and Bright House Networks. We also discussed possible operational and technical issues related to a low-income program, including eligibility, enrollment, and broadband speed offerings.

Please contact me if you have any questions.

Sincerely,
