## **Short Term Public Notice Under Rule 51.333(a)**

This Public Notice advises of the following Network Change and improvement by Dumont Telephone Company (Dumont) and the scheduled implementation date.

**Carrier:** Dumont Telephone Company, 506 Pine Street, P.O. Box 349, Dumont, IA 50625-0349

### **Locations at which changes will occur:**

#### **Iowa Wire Centers:**

Allison, Iowa (ALSNIAB), Remote Terminal (ALSNIABW01)  
508 5<sup>th</sup> Street, Allison, IA 50602

Dumont, Iowa (DUMTIAXO), Actual Switch (DUMTIAXODS0)  
506 Pine Street, Dumont, IA 50625

### **Planned Implementation Date: On or after October 5, 2015**

**Description of the Planned Network Change:** Dumont is planning to remove the local switch from the Allison exchange and accomplish local switching using the Dumont, IA switch.

**Description of Foreseeable Impact of the Planned Change:** The transport mileage from the proposed switch at Dumont to the Mason City POP will be less miles than the current mileage from the Allison switch to the Cedar Rapids POP for the purpose of calculating access transport charges. Due to the network design of Dumont's interexchange connectivity using the Iowa Network Services (INS) tandem and associated network, no carrier will be required to modify connectivity or the POP to which it currently connects to deliver traffic to Dumont. No interconnected carrier will be affected by this change.

**For additional information regarding the planned network change contact:** Roger Kregel (General Manager) (641) 867-3211.
