You were previously sent a Notification of Commitment Adjustment Letter informing you of the need to recover funds for the Funding Request Number(s) (FRNs) listed on the Funding Commitment Adjustment Report (Report) attached to the Notification of Commitment Adjustment Letter. A copy of that Report is attached to this letter.

The balance of this debt is due within 30 days from the date of this letter. Failure to pay the debt within 30 days from the date of this letter could result in interest, late payment fees, administrative charges, and implementation of the "Red Light Rule." The FCC's Red Light Rule requires USAC to dismiss pending FCC Form 471 applications if the entity responsible for paying the outstanding debt has not paid the debt, or otherwise made satisfactory arrangements to pay the debt within 30 days of the notice provided by USAC. For more information on the Red Light Rule, please see "Red Light Frequently Asked Questions (FAQs)" posted on the FCC website at http://www.fcc.gov/debt_collection/faq.html.

If the Universal Service Administrative Company (USAC) has determined that both the applicant and the service provider are responsible for a Program rule violation, then, pursuant to the Order on Reconsideration and Fourth Report and Order (FCC 04-181), USAC will seek recovery of the improperly disbursed amount from BOTH parties and will continue to seek recovery until either or both parties have fully paid the debt. If USAC has determined that both the applicant and the service provider are responsible for a Program rule violation, this was indicated in the Funding Commitment Adjustment Explanation on the Funding Commitment Adjustment Report.

Funding Commitment Adjustment Report
Form 471 Application Number: 942769

Funding Request Number: 2568588
Services Ordered: INTERNET ACCESS
SPIN: 143022659
Service Provider Name: A New Vision in Educational Services & Materi
Contract Number: 01-NUE1013-14
Billing Account Number: 01-NUE1013
Site Identifier: 199874
Original Funding Commitment: \$31,860.00
Commitment Adjustment Amount: \$31,860.00
Adjusted Funding Commitment: \$0.00
Funds Disbursed to Date: \$12,375.00
Funds to be Recovered from Applicant: \$12,375.00
Funding Commitment Adjustment Explanation:

After multiple requests for documentation and application review, it has been determined that this funding commitment must be rescinded in full. The FCC Form 470# 686570001107248 that established the bidding for this FRN is encyclopedic. Furthermore, a Request for Proposal was not issued to narrow the scope of the desired services to only those that you actually applied for in this funding request. FCC rules require that applicants submit "bona fide requests for services" by conducting an internal assessment of the components necessary to use effectively the discounted services ordered and submitting a complete description of services requested so that it may be posted for competing providers to evaluate. During our review, you were asked why the service descriptions listed on your FCC Form 470 appeared to be "generic" or "encyclopedic". Specifically you were asked to explain how you determined the services to request on your FCC Form 470. You responded that the services listed in the FCC Form 470 were obtained from the Schools and Libraries Division (SLD)s Eligible Services List available on USACs website at:

<http://www.usac.org/sl/applicants/beforeyoubegin/eligible-services-list.aspx>. Furthermore, you indicated that you referenced a complete list of eligible services so that schools may select services without limits. Per the FCCs Ysleta Order, an applicants FCC Form 470 must be based upon its carefully thought-out technology plan and must detail specific services sought in a manner that would allow bidders to understand the specific technologies that the applicant is seeking. An FCC Form 470 should not be a general, open-ended solicitation for all services available on the Eligible Services List, with the hope that bidders will present more concrete proposals. Thus, a FCC Form 470 that sets out virtually all elements that are on the Eligible Services List would not allow a bidder to determine what specific services the applicant was seeking. Because you relied on an encyclopedic FCC Form 470, your funding commitment will be rescinded in full and USAC will seek recovery of any disbursed funds from the applicant.
