Please, please, please allow those of us with landlines block robo calls. Even though I'm on the DO NOT CALL list, I get 3-8 robo calls every day. I've punched through, spoken to a real person and asked to be removed from their list. They just hang up and I continue to get calls from them. These people are violating the law with no repercussions. Allowing us to block their calls is the only way to stop this abusive & criminal behavior.
