The California Public Utilities Commission (CPUC) respectfully submits this Motion for Acceptance of Late-Filed Comments because the accompanying Comments of the CPUC were due August 31, 2015. The Comments respond to the *Second Further Notice of Proposed Rulemaking (NPRM)* issued by the Federal Communications Commission (FCC) on June 22, 2015. Because of the press of other work and resource constraints, we were unable to prepare and submit the Comments by August 31, 2015. We apologize for any inconvenience this may cause the FCC or other parties. We ask the FCC to accept these late-filed comments on the Lifeline *NPRM*.

Respectfully submitted,
