Re: WP Docket No. 07-100, PS Docket No. 06-229, and WT Docket No. 06-150

Dear Ms. Dortch,

The Association of Public-Safety Communications Officials (APCO) International respectfully submits the attached report concerning the 4.9 GHz band.

To aid the Commission's efforts in the above-referenced proceedings, APCO convened a task force to explore how public safety is using the 4.9 GHz band, how to increase public safety use, how to reduce barriers to use, and how to drive investment in the band. The attached report describes the Task Force's findings with regard to these issues.

Respectfully submitted,

/s/

Jeffrey S. Cohen  
Chief Counsel
