

TruConnect Lifeline

330,000 Subscribers
\$120 Million Annual Revenues
3 Retail Stores in California

TruConnect is a national provider of wireless voice, messaging, and data services capable of reaching millions of Americans where they live, work and play. Through the federal Lifeline program, TruConnect provides free services to low-income households so that they can stay connected to family, friends, emergency services and job opportunities. TruConnect markets its Lifeline services through company stores, authorized distributors, retail outlets, and online.
