Washington, DC 20554

Dear Chairman Wheeler,

On behalf of Greater Mankato Growth, the Chamber of Commerce and Economic Development Organization serving over 900 members in the Mankato – North Mankato Metropolitan Statistical Area in South Central Minnesota, I write to express our sincere appreciation for the role Charter Communications plays in our community.

As an organization that works with businesses and community partners on a daily basis to promote economic development and grow the vitality of our region, it's critical that we have a good partnership with our utility providers. Charter is an excellent partner and has a solid track record of providing high quality connectivity services.

In addition, Charter supports our community through its membership with our organization as well as through their generous sponsorship of numerous programs and initiatives that benefit the business community and our overall livability.

Greater Mankato Growth is committed to advancing business for a stronger community, as such, we congratulate Charter on their merger with Time Warner Cable and look forward to our continued partnership and the subsequent benefits this new company will have on our region's businesses.

Thank you for your consideration. If you have any questions or require additional information, I may be contacted at 507-385-6645

Sincerely,
