Re: *Ex Parte* Communication: WC Docket No. 10-90

Dear Ms. Dortch:

On October 13, 2015, Ken Pfister of Great Plains Communications, Wendy Thompson Fast of Consolidated Companies, Inc., Cheryl Parrino of Parrino Strategic Consulting Group, Scott Schultheis of Reynolds Schultheis Consulting, and the undersigned met via telephone with Carol Matthey, Suzanne Yelen, Alex Minard, and Katie King of the Wireline Competition Bureau to discuss matters in the above-captioned proceeding.

We discussed materials submitted by ITTA and other associations representing rate-of-return companies on October 2, 2015.¹ More specifically, we answered questions regarding our proposed broadband build-out requirement methodology and our proposal for determining the allocation of additional support dollars to companies participating in a voluntary model-based USF support plan.

Please do not hesitate to contact the undersigned with any questions regarding this submission.

Respectfully submitted,
