[FormType]=471

[ApplicationNumber]=1052235

[Question2]=We received notice that our Form 471 was filed outside of the window. It was my understanding that the RI Dept. of Education had filed this form for all of us under the RIDE "umbrella". However, I found out later that this was not the case. So we did file form 471 but outside of the window.

I would appreciate any consideration for waiving the filing window deadline for St. Peter School.

Thank you.
