Re: WC Docket No. 12-375, Inmate Calling Service Dear Ms. Dortch:

Dear Ms. Dortch:

In order for correctional facilities and regulatory bodies to reconcile Inmate Telephone Companies' Total Gross Revenue, which includes all unedited billed rates and fees, it is critical that these agencies are provided access to online (real-time) raw call detail records. It is imperative that this information not be proprietary to the Inmate Telephone Companies. Also, it is critical that each Inmate Telephone Company provide all records on a facility-by-facility basis rather than an Inmate Telephone Company's combined revenue. Otherwise, accurate reconciliation is impossible.
