RE: MB Docket No. 15-149

September 9, 2015

Tom Wheeler  
Chairman  
Federal Communications Commission  
445 12th Street, SW  
Washington, DC 20554

Dear Chairman Wheeler,

As the Town Administrator for the Town of Sturbridge, I am writing on behalf of our Board of Selectmen to offer our support for the merger of Charter Communications, Time Warner Cable and Bright House Networks.

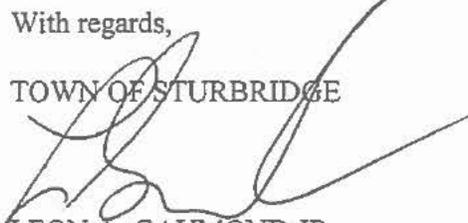

The Town of Sturbridge has had a good relationship with Charter, and recently completed a successful negotiation of a renewal license with Charter. They have been responsive to our concerns and have been supportive of our community access programming operation.

At the recent meeting of the Board of Selectmen, they had reviewed the statement of public benefits that Charter filed with the FCC and voted unanimously to support the merger and to share this support with you and your fellow FCC commissioners.

Thank you for your attention to this matter and please contact me if I can be of further assistance.

With regards,

TOWN OF STURBRIDGE
