Re: Proceeding No. 15-149

Dear Chairman Wheeler,

We are writing in support of the proposed merger between Charter Communications, Time Warner and Bright House Networks.

Solon Township anticipates this merger will offer improved speed and reliability of broadband access, which will be available to more of our population. We also expect this merger will help to control overall costs to customers in our community.

The communication infrastructure is an important asset of Solon Township and we appreciate progress these companies show in enhancements and upgrades of this important means of communication.

Sincerely,

Robert L. Ellick
Supervisor, Solon Township
