RE: Request for Waiver of Filing Deadline.  
Proceeding 02-378  
Region 7 Plan Changes

Greetings:

Our Regional Planning Committee has made changes to Region 7 700 MHz Plan; Appendix I, and Region 7 700 MHz Plan; Appendix L. These modifications/changes were sent (via email) to all the neighboring Regions (3-Arizona, 16-Kansas, 26-Nebraska, 29-New Mexico, 34-Okilahoma, 41-Utah, 46-Wyoming & 52-Texas Panhandle) on September 2, 2015

The only responses we have received were acknowledgments from Region 3, 16, and 26. But we have not received any concurrence.

The main body of our Region 7 Plan has not changed, however the two aforementioned Appendixes (I & L) to the Plan have been re-written in accordance with the direction of FCC's Report and Order 14-172. I am attaching those Appendixes for your review.

Since we have not received any concurrences from our neighbors, we request a Waiver of the October 31, 2015 filing deadline. Please consider allowing us to a new deadline of December 31, 2015.

Respectfully submitted,

Emery Reynolds, Secretary
