I am trying to file to get this where we can file for the 2 listed above. I am new here at Woodland Community Unit 5. I had filed all the paperwork back in Beginning of October. What I did is I did not have any paperwork because the guy I replaced all the paperwork was gone. So I filed and just got my paper saying they were incorrect. So I am trying to fix them and they said I am a day late and I needed to appeal to you. So could we please get a Extension on the 2 listed above.
