Re: Region 31 700 MHz 700 MHz Band Plan – Notice of Plan Amendments.
FCC Docket #02-378

At this time Region 31 will not be entering any changes to the September 9, 2009 700 MHz band plan. We need additional time to develop a workable frequency scheme for the recently awarded channels.

Region 31 wants the reserved frequencies added to the appendix for future use.

If additional information is required, please contact me,

Michael Hodgson
Chairman, Region 31 (700 MHz)
