Re: Rural Broadband Experiment Interim Report

Allamakee Clayton Electric Cooperative  
FRN 0002598779. SAC 356223

Dear Ms. Kim:

Allamakee Clayton Electric Cooperative is currently building out the SAC 356223 project area. We have employed the services of Power System Engineering to provide engineering support for fiber optic routes and microwave links design for RBE Projects. We have contracted with a wireless contractor to install and construct the wireless sites. We are working with various vendors to provide the wireless equipment and materials. We are working with local contractors and vendors to build equipment shelters and wireless site locations. We currently have one wireless signal transmission site on the air located in the city of Waucoma, Iowa, providing broadband services to the community and the surrounding area. The area of coverage is about 6 miles in all directions and includes parts of the Bid ID 4 project area. We currently provide service to 4 anchor institutions within the City of Waucoma, including the City Hall, Fire department, Library, and the Community Event Center. A description of the broadband services provided is as follows.

Service Levels	Down/up	Price
Skyways level 1	5/1	\$49.99
Skyways Level 2	10/2	\$79.99
Skyways Level 3	15/3	\$99.99
Skyways Business Package	20/5	\$149.99

\*Customer can increase the upload by 2Mbps for \$5.00 or 5Mbps for \$10.00 per month\*

\*Unlimited –No Data Caps- 365 Days - 24/7\*
