WC Docket No. 05-25; RM-10593
FRN 0014400220*

Dear Ms. Dortch:

In the Federal Communications Commission's ("Commission's") October 1, 2014 Order and Data Collection Protective Order in the above-referenced dockets (DA 14-1424), the Commission requested that redacted versions of Confidential and Highly-Confidential submissions suitable for public inspection be filed in the Commission's Electronic Comment Filing System.

Today, Windstream Services, LLC (f/k/a Windstream Corporation) is submitting the confidential version of its revised Explanatory Statement on a mobile storage device that is being hand delivered to the Commission. In accordance to the Commission's requirements in this docket, Windstream is also filing publicly the redacted version of such revised Explanatory Statement. The redacted document is attached and has also been included on the mobile storage device.

If you have any questions, please call me at (501) 748-5777. Thank you for your attention to this matter.
