FCC Administration

**Good Morning,**

I would like to request a waiver for additional time to file FCC Form 472 for FY 2014 for United school district. Due to a change in persons responsible for filing our E-rate forms the status of this final form from that year was misunderstood. All other forms from FY 2014 appear to be completed correctly and Form 472 can be completed online as soon as a decision is made.

Thank you for your consideration in this matter as a loss of this refund would have a major impact on our technology goals and the function of the district as a whole.
