Docket: Schools and Libraries Program: CC Docket No. 02-6

USAC applicant filing appeal: Homewood City Schools (BEN 127969)

Problem and Reason for Appeal:

Homewood City School District would like to request an invoice deadline extension for FRN 2650147 with USAC. Homewood City School District's BEAR Form was certified on September 23, 2015. Due to illness, I was unaware that the service provider had not validated the BEAR Form within the deadline established by USAC. As of today, November 2, the service provider has validated the BEAR Form.

Relief sought through this appeal: I respectfully request a waiver from the FCC in order that I may request an extension of the filing deadline from USAC.

Thank you for your consideration of this matter.
