Re: CC Docket No. 02-6

I would like to formally request a waiver of the rule for an invoice deadline extension. The information from the Funding Commitment Decision Letter is as follows:

FCC Form 471 Application Number: 956334
Billed Entity: Cherryvale Unified School District 447
Billed Entity Number: 137933
BEN FCC Registration No: 0011753795
SPIN / FRN: 143001192; FRN 2597816
143002315; FRN 2597806
143027542; FRN 2597822
143011191; FRN 2597830

We are a small school district. This fiscal year beginning July 1, 2015, our superintendent and 3 of our 5 building administrators are new to their positions. I am in the process of training my replacement in anticipation of retirement. In addition, my elderly father has had two bad falls, breaking an arm and a knee, and I was out of the office for a period of time. The invoice deadline was October 28, 2015, and with all the chaos, it completely slipped by me. I realized on Monday, November 1 that the invoices had not been submitted.

I am not certain if a waiver can be granted for all FRN's or for only one. If the waiver is for only one, I would request that it be granted for AT&T, SPIN 143001192, FRN 2597816. Please do not hesitate to contact me if you need any additional information or clarification. Thank you for any assistance you can provide.

Sincerely,

A handwritten signature in cursive script that reads "Karen S. Conner".
