I have two comments against this merger. 1) Please do not allow Charter Communications to merge. It has filed bankruptcy multiple times and to allow it to rapidly expand when it has had trouble simply running its own business and mistreats independent programmers is not good for America. 2) Charter Communications has to insure that family owned and independent programming networks such as One America News Network are treated fairly and protected. Charter Communications has a history of offering unfavorable and anti-competitive terms to independent programmers and flatly refuses to carry One America News Network.

Thank you.

Sincerely,

Benito Dominguez
