I am writing to voice my extreme displeasure to learn that the mega-merger of Time Warner and Bright House into Charter Communications, would probably eliminate my opportunity to view the ONE AMERICA NEWS NETWORK (OANN). I am a regular viewer of OANN, and the fact that Charter Communications chooses not to carry OANN is against my freedom of choice and OANN's freedom of speech. I stand with the ONE AMERICA NEWS NETWORK, and as a loyal viewer of this network, would be extremely disappointed if OANN were forced off the air, just because Charter's viewpoint may differ than OANN. To allow Charter to rapidly expand when it has had trouble simply running its own business and mistreats independent programmers isn't good for America.
