Large corporate control over content is at the core of what American citizens are concerned with. While I am proud to live in a capitalist nation and encourage companies to pursue excellence, it can't be at 'any cost'. If the Time Warner / Charter deal gets done then it is important that Charter take action to insure that family owned and independent programming networks such as One America News Network are treated fairly and protected. OAN is my first and often only stop when seeking world news. Our family relies on it.
