Re: *Applications of Charter Communications, Inc., Time Warner Cable Inc., and Advance/Newhouse Partnership for Consent to the Transfer of Control of Cable Television Relay Service Applications*, MB Docket No. 15-149¹

Dear Ms. Dortch:

In further response to the letter dated September 21, 2015 from William T. Lake, Chief of the Media Bureau, to the accompanying Information and Data Request to Charter Communications, Inc., Charter Communications, Inc. (“Charter” or the “Company”) provides the following supplemental answers and responsive data, as applicable.

The supplemental materials consist of additional narrative and data submissions in response to Request 11.

In addition, Charter is providing the Commission and its vendor with a DAT file regarding certain inadvertently produced documents. The file contains the beginning Bates number, the original text file path and the native file path for each relevant document. Charter is also providing the Commission and its vendor with an image load file containing the path to each of the images that were supplied in Charter’s original productions. Charter requests that the Commission and the vendor use these tools to remove the relevant documents as well as destroying any paper copies.

These supplemental materials, which contain proprietary and non-public information, are being submitted on a Highly Confidential basis under the Protective Order in effect in this
