Re: Request for Waiver of Invoice Deadline

Hello,

Jacksonville Independent School District is respectfully requesting a waiver of the invoice deadline for our recent filing to USAC for E-Rate funds. The deadline for submitting the form 472 Bear form was 10/28/2015. Due to extraordinary circumstances including a transition in program administrators, technical difficulties, and the transition to the EPC program by USAC, we missed the deadline and filed the report on 11/15/15. We are asking that a waiver be issued so we can have USAC process our submitted 472 form that has been certified by our provider. We hope that you will grant the waiver so that our economically disadvantaged district can receive the vital funds reimbursement. More specifics are listed below:

BEAR 472 invoice # 2290424
Billed Entity # 140730
Service Provider ID # (SPIN) 143016446
Form 471 Application # 958760
Funding Request # (FRN) 2604237

Thank you very much for your assistance with the request.

Sincerely,
-Troy Parker
