Dear FCC,

My name is Graham, Swaney and I live in Jericho , VT.

The principles of user choice and control are vitally important for a vibrant wireless ecosystem. But as written, the NPRM threatens to undermine these ideals by limiting what users can do with their devices. That's a concern, because
Please maintain Net Neutrality

The draft rules could enable device manufacturers to forbid third-party software, which would make me feel less safe about the wireless networks I use and operate.

Seriously though, don't give someone a free monopoly

Sincerely,

Graham, Swaney
