Mr. Tom Wheeler
Chairman

Dear Chairman Wheeler,

The I-94 West Chamber of Commerce has reviewed the potential merger of Charter with Time Warner. We support the merger and agree with David Balto's comments posted in the Huffington Post.

"The proposed Charter/Time Warner merger does not have a big impact on current competition because cable companies do not compete. However, future competition from internet and video alternatives could be greatly impacted if we get the remedies wrong. The FCC and DOJ should make sure that any remedy prevents a cable "old boy's network" that makes cable alternatives less competitive."

We would like to congratulate Charter on the merger and offer any support needed during this time of transition. We look forward to continuing our partnership with Charter Communications in Minnesota.

Sincerely,

A handwritten signature in black ink that reads 'Donna J. Hartley'.
