Re: Notice of Ex Parte Presentation, WC Docket No. 15-178

Dear Ms. Singleton:

Beam Propulsion Lab Inc. is providing the following ex parte notification in the above referenced proceeding in accordance with Section 1.1206 of the Commission's Rules. On November 10, 2015, the following persons met regarding matters related to the above-referenced proceedings:

- Karen Peltz Strauss, CGB Deputy Chief; Gregory Hlibok, DRO Chief; Eliot Greenwald, DRO Deputy Chief; Robert Aldrich, CGB Front Office; Suzy Rosen Singleton, DRO attorney; Alec Gordon, CEO

The purpose of the meeting was to petition for rulemaking to update the Commission's rules for access to support the transition from TTY to Real-Time Text Technology to the representatives of the FCC. During the meeting the attached material were distributed to the Bureau.

The material describing the advantages of moving from UDP-based to TCP-based Transport layer for Real-Time Text, which proves to be advantageous on multiple fronts for supporting modern day technologies and devices.

Thank you for your help in this matter. If you have any questions, please do not hesitate to contact me.

Respectfully,
