RE: Proceeding No. 15-149

Dear Chairman Wheeler:

I am writing in regards to the proposed merger between Charter Communications and Time Warner Cable.

It is my personal opinion that such a merger will be beneficial to our residents.

I have worked with Marilyn Passmore, currently Director of Government Affairs in Michigan, for the past several years and wish to acknowledge that any issues that came up during that time were always resolved in a speedy efficient manner.

This letter is in support of the merger, and states my personal opinion, and not necessarily the opinion of Alpine Township.

Sincerely,
