

60001339822.txt

I would like to file this document in order to show my support for the independent programming network One America News Network. The main reason is to make sure that as the Mega-Merger between Time Warner cable, Inc. and Charter Communications, Inc. and proposed transfer of control of Bright House Networks from Advance/Newhouse Partnership to Charter Communications Inc. takes place I want to insure that family owned and independent programming networks such as One America News Network are treated fairly and protected.
