

60001340323.txt

Charter Communications has a history of offering unfavorable and anti-competitive terms to independent programmers and flatly refuses to carry One America News Network. To allow Charter to rapidly expand when it has had trouble simply running its own business and mistreats independent programmers isn't good for America. Please do whatever is necessary to protect independent programmers and, in particular, to prevent Charter or any other network from refusing to carry any willing content provider.
