Charter Communications is preparing to acquire two competitors, Time Warner Cable and Bright House Networks. Charter Communications has a history of offering unfavorable and anti-competitive terms to independent programmers and flatly refuses to carry One America News Network. To allow Charter to rapidly expand when it has had trouble simply running its own business and mistreats independent programmers is not good for America. I want Charter to take action to insure that family owned and independent programming networks such as One America News Network are treated fairly, protected have have their News network broadcasted on Time Warner and Bright House Networks
