Charter Communications, a company that has filed bankruptcy multiple times in the last 10 years, is preparing to acquire two competitors, Time Warner Cable and Bright House Networks. In this case, bigger isn't better. Charter Communications has a history of offering unfavorable and anti-competitive terms to independent programmers and flatly refuses to carry One America News Network. To allow Charter to rapidly expand when it has had trouble simply running its own business and mistreats independent programmers isn't good for America.

Please ensure that One America News Network, which is the one I mostly watch, is not stopped from being carried by Charter Communications. I want to make sure I have the choice to watch what I feel is the straight news, not the slanted news I get with CNN, Fox and others.

Thank you for listening.
