Dear FCC,

My name is Luke Ballard and I live in Chagrin Falls, OH.

The principles of user choice and control are vitally important for a vibrant wireless ecosystem. But as written, the NPRM threatens to undermine these ideals by limiting what users can do with their devices. That's a concern, because I want to be able to update my own wireless software?not rely on slow manufacturers shipping updates.

The draft rules could enable device manufacturers to forbid third-party software, which would make me feel less safe about the wireless networks I use and operate.

Open Wireless devices matter to me, and a lot of other people. Please do your obligated task of protecting such creative and positive resources.

Sincerely,

Luke Ballard
