Your Correspondence Received: October 01, 2015

The Universal Service Administrative Company (USAC) received your request for a waiver of the FCC Form 471 Application Filing Deadline for Funding Year 2015 of the E-rate program.

Federal Communications Commission (FCC) rules do not permit USAC to consider requests for waivers. If you believe there is a basis for further examination of your request, you may file a waiver request with the FCC. Detailed instructions for filing waiver requests with the FCC are available at: <http://www.usac.org/sl/about/program-integrity/appeals.aspx>.

When I go to submit a filing – it is asking for information that doesn't pertain to USAC Form 471 extension. Could you please direct me as to where I can do this?

Subject: Deadline Waiver Request for USAC form 471#1052975

To Whom it May Concern

The purpose of this letter is to ask for consideration of a deadline waiver for 471 # 1052975 for FRN # 2875618. We are requesting this waiver due to an omission we became aware of in the filing our Category 1 services using the new form process. On 471 #1031390 filed on 3/25/2015 funding was not requested for our Building to Building Fiber Service. This omission was for a multiyear contract agreement posted in form 470 # 894560000892083. When we became aware of this omission a form 471# 1052975 was posted out of the posting window on 7/02/2015 based on recommendations from the USAC phone support line.(case #10105) Thank you in advance for your consideration of this deadline waiver request, please do not hesitate to contact me for any additional information you may need to process this request.

Sincerely,

Mike Drevlow
Director of Technology
School District of Marshfield
