

60001345913.txt

Dear Sir or Madam,

This email is in response to showing my support for One America News network. I believe that Time Warner Cable and all cable networks should be made to carry all news channels and under Federal Law cannot discriminate against OANN. Please keep our Freedom of the Press, FREE. I am going to be filing a lawsuit on behalf of myself and OANN if this discrimination is not stopped.

Thank you

Sincerely

Roger K. Martin

Roel and Park Kansas
