Dear Ms. Dortch:

This letter is to replace the letter filed on November 18 informing you that COMPTTEL is now doing business as INCOMPAS. Moving forward, INCOMPAS' filings will reflect that in the above-referenced dockets in which COMPTTEL previously has participated.

INCOMPAS is the leading trade association for competitive networks and represents communications and technology companies, large and small—advocating for laws and policies that promote broadband competition, innovation, and economic development. The name change reflects the association's growth and evolving membership as well as its commitment to innovation, competition, and the future.

Please let me know if you have any questions concerning the foregoing.

Respectfully submitted,

/s/ Angie Kronenberg
