

Puskarich

Public Library System

December 1, 2015

Schools and Library Division of the FCC,

I would like to request a waiver of the invoicing deadline for the BEAR form that was submitted by the Puskarich Public Library. All bills were paid by the library, and the vendor, Valtech, submitted their certification, but their certification was after the deadline. I would like to please be able to resubmit this form, so that the library may receive its reimbursement.

Thank you for your kind consideration,

Sandi Thompson
