Notes:

- 1) The pricing provided assumes a one year contract as requested, but allows for three year and five year contract for additional savings.
- 2) Quotation is budgetary and requires final design to complete a contract for service.

Proposed Timeline: The proposed deployment requires construction to complete the project. For this reason it is imperative that we adhere to the proposed timeline to ensure we can meet the required in-service date.

- 1) Contract Approval by: 4/2/15
- 2) Installation by: 6/30/15
- 3) Testing by: 6/30/15
- 4) In-service by: 7/1/15
