I am opposed to any merger or action that would prevent One America News Network (OANN) from being included on the standard offering of networks to all subscribers. I believe it is very important that as many people as possible, in this country, have exposure to this network during these troubled times as they provide more honest news, without the left or right political agenda of the other news networks, and their public service historical announcements, in lieu of commercials, are both patriotic and informing to America's youth and those new to America and learning its history and culture. Please take no action that would limit the exposure of this most important American News Network. Thank you.
